

ADULT BASIC EDUCATION

HIGH SCHOOL EQUIVALENCY

COLLEGE READY

Enhance your academic skills at home.

Adult Basic Education Solutions

Instructional programs that provide diagnostic and personalized learning experiences, with a focus on core academic subject areas for adult learners. With a focus on core academic subject areas.

High School Equivalency Solutions

Students who master Aztec's TASC Prep Series content can be confident they will pass the TASC™, obtain their HSE diplomas, and advance post-secondary education enrollment or enhanced career goals. Aztec's TASC Prep Series yields superior TASC™ pass rates!

College Ready Solutions

Includes two Learning Series designed to provide for a successful transition to postsecondary. These programs fill in the increasingly large academic skills gaps between high school equivalency completion and postsecondary enrollment.

Certificates of Completion are received at the end of each course.

Provides the **highest quality** of educational solutions, designed with the learner in mind.

All courses and certifications are **AT NO COST** to participants and are offered through self-paced virtual instruction.
